

SAKI BRANSON

Digital Project Manager

From system solutions to promoting Lizzo's newest album, I have produced numerous projects throughout my 5 years of experience. My strengths lie in digital marketing and web production with a background in media design and performing arts.

WORK EXPERIENCE

Web Production Project Manager

Atlantic Records (Warner Music Group)

OCT 2018 - JUL 2019 // NEW YORK, USA

- Work with designers, digital marketers, and developers to create promotional digital content for all label artists including Bruno Mars, Lizzo, and Ed Sheeran
- Monitor progress of all digital projects and ensure content adheres to brand/legal guidelines
- Lead all design and technical communication
- Collaborate with CRM and E-Commerce teams to improve fan interaction and merchandising sales
- Strategize best practices for team efficiency with head of Creative Services
- Train junior designers and digital marketers

Creative Project Manager

Worlder Inc.

JUN 2016 - SEP 2018 // NEW YORK, USA

- Liaison between client, internal team, and vendors; overseeing photography, video, web production, and event management projects
- Manage client site content via CMS (Wordpress)
- Supervise and analyze client social accounts
- Assist in web design, animation, and photography creative work

Bid Manager

IBM Japan

APR 2013 - MAR 2015 // TOKYO, JAPAN

- Manage internal teams of engineers and account representatives, and create proposals for clients such as Mizuho Bank and Shiseido
- Compile research data, design pitch decks, and guide projects from brainstorm to final transaction
